### ***Tax Collector Mike Fasano's Offices Raised \$5,155 for "Hope Services," the Featured Charitable Giving Organization for the Month of June***

**Tax Collector Mike Fasano's** five offices raised \$5,155 for **Hope Services**, the featured charitable organization for the month of June 2026. **Hope Services** is a nonprofit organization dedicated to helping people with a variety of disabilities, be they physical, developmental, age-related or on the autism spectrum, become independent through workforce training. **Hope Services** also works with individuals to utilize adaptive technology, if needed, for both at-home and on-the-job independence.

"Thank you for believing in our mission and helping us continue to provide personalized vocational services that empower individuals to realize their career potential," remarks **Cindy Bray, Founder and CEO of Hope Services**. "Because of your kindness, more individuals with disabilities and barriers to employment will have the opportunity to discover their potential and achieve meaningful careers."

"Many thanks to a very generous community for supporting **Hope Services** during our June Charity-of-the-Month donation drive," comments **Tax Collector Mike Fasano**. "This organization's slogan is "Hope Gets Jobs." **Hope Services** was founded to help individuals with developmental and physical disabilities, as well as survivors of human trafficking, gain hands-on vocational training so they can perform skills that will allow them to enter or re-enter the job market. Your generous donations will help **Hope Services** provide even more assistance to those most in need of help. Thank you!"
